# 2021 Governance Meeting

April 6, 2021

# GOALS OF MEETING

---

1. Consider some important questions regarding CRW governance
2. Discuss merging CRW Constitution and CRW Bylaws
3. Review approval process and timing of making changes to our documents
4. Assess interest in creating a “CRW Foundation”
5. Review a proposal for revised CRW bylaws

# GOVERNANCE QUESTIONS FOR CONSIDERATION BY BOARD - 1

---

1. Should a club Mission Statement or Purpose be included in the Governance Documents?
2. Officers and Club Coordinators
  - a. Nominated by President and approved by a majority of Board
  - b. Any member shall be eligible (except for EVP who must be a Board member)
  - c. How are officers and Club Coordinator removed
    - i. Current language says “serve at pleasure of Board; subject, however to dismissal by a two-thirds vote of the Board
    - ii. Proposed change: “officers and coordinator serve until their resignation or when the President nominates and the Board approves a successor.”
3. Term of President
  - a. Currently 1 year term and maximum of 2 consecutive terms
  - b. Propose change to 2 year term and no limit on number of terms.
  - c. If President resigns or is removed, the Board would elect an Interim President to serve until a Presidential election occurs at a November Board meeting.
4. Terms of Directors – currently limited to two full three-year terms. Do we want to remove the term limitation?

# GOVERNANCE QUESTIONS FOR CONSIDERATION BY BOARD - 2

---

5. Membership Issues
  - a) Elimination of Household Membership
  - b) Minimum age of 18 years old
6. Board vacancies – Past President is not replaced
7. Removal of Directors
  - a. Bylaws have an elaborate process for removal of a Director. These are well thought out. However, it provides that the Board minutes “shall contain no information about the removal matter.” Propose to drop this restriction
  - b. Constitution says that if “a member is absent from 4 out of 5 consecutive meetings, the Board shall vote on sustaining *his* membership in the Board.”
    - i. What should the absence level be? Maybe remove this clause and leave to discretion of Board
    - ii. Only 4 Board meetings per year are required
    - iii. What about extended illness?
    - iv. Pronouns such as “his” should be made gender neutral.

# GOVERNANCE QUESTIONS FOR CONSIDERATION BY BOARD - 3

---

8. Meetings of the CRW
  - a. Language should be made clear that online meetings are acceptable
  - b. A methodology for electronic votes should be established.
    - i. If an issue arises which cannot wait until the next Board meeting (i.e. budget appropriation, appointment of officer), the President may call for an electronic vote to be held by email or other voting software. Board members must be given at least 5 days to vote. A majority of all Board members is required to pass an electronic vote. The methodology must identify how each Board member votes. The motion must be reported in the minutes of the next Board meeting.
9. Annual Meeting - There is currently a requirement for an Annual Meeting and an Annual Report. Should we maintain this requirement?
10. Auditor - resolve conflict between Constitution and Bylaws
  - a. The Constitution requires the selection of an Auditor who shall conduct an independent annual audit of the financial records of CRW.
  - b. The Bylaws say “The CRW Board shall conduct a review of the Vice President of Finance’s records annually.”

# MERGING OUR GOVERNANCE DOCUMENTS

---

Discuss merging CRW Constitution and CRW Bylaws

1. What is the benefit of consolidating documents?

- a. Conflicts between the two documents
- b. Redundancy
- c. Simplifies revision process

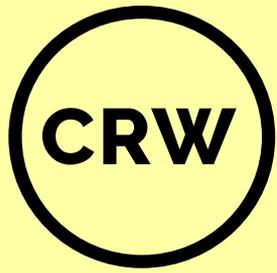

2. Elimination of Constitution and move relevant sections to bylaws

# APPROVAL PROCESS FOR GOVERNANCE DOCUMENTS

---

1. If document merger is not completed at this meeting, appoint small committee to complete draft of new bylaws
2. Board Meeting #1 – get Board approval on new bylaws and rescinding the Constitution
3. Publicized the new changes to the membership through civiMail and WheelPeople.
4. Conduct discussion with members about these changes at the upcoming Annual Meeting in April.
5. Board Meeting #2 – vote to approve the new Bylaws which will become effective upon the Member vote to rescind the Constitution
6. Conduct an electronic vote of the membership to rescind the Constitution
  - a. Members are given 21 days to vote
  - b. 2/3 of those voting must approve

# ASSESS INTEREST IN FORMING A “CRW FOUNDATION”

---

1. CRW could establish a separate but related charitable organization focused on fund raising and charitable giving
2. Symbiotic relationship between CRW and Foundation
  - a. CRW donates profits / excess funds to Foundation
  - b. Members can designate an additional donation amount to Foundation when renewing CRW membership
  - c. Foundation carries on the former charitable operation of CRW
    - i. Community organizations
    - ii. Advocacy
    - iii. Infrastructure
    - iv. Cycling education opportunities
  - d. Foundation backstops CRW – can provide funds to CRW if CRW has financial issues.

## PRESIDENT

### III. Officers

1. President. The President shall be the chief executive officer of the Corporation and shall report to the Board of Directors (Board). The President shall also be the Chairman of the Board and have the rights and duties of a member of the Board. The President shall have supervisory authority over the activities of the CRW. The President shall appoint and organize all ~~of~~ the officers in (2) below for the duration of the President's term, unless specified otherwise in these Bylaws; shall establish any committees and coordinators deemed necessary; and shall delegate to them such authority as the President shall see fit, all with Board approval. The President shall be an ex officio member and may be active on all CRW committees. The President shall propose the fiscal budget, operational plan, appointments, and committee structure to the Board at the first meeting of the year. The Board shall approve these proposals, with the possibility of negotiation, no later than the second Board meeting of any calendar year. Following the approval of the annual plan, the President, with Board approval, may alter or abolish any component thereof not protected by these Bylaws that is no longer necessary to the CRW.

No changes proposed other than a small grammatical improvement.

# PROPOSED NEW CRW BYLAWS

## PRESIDENT'S OFFICERS

2. President's Officers. The President's staff shall include the following officers and may include such others as the President shall designate. **The President shall nominate these officers subject to Board approval.** Any member shall be eligible for appointment to any CRW position unless specified otherwise in these Bylaws.

Black text from existing bylaws with changes shown in **RED**

# PROPOSED NEW CRW BYLAWS

## OTHER OFFICERS

- a) The Executive Vice President shall be appointed by the President from the Board and assist the President in administering the activities of CRW and shall carry out the duties of the President in the President's temporary absence. If the Executive Vice President is unable or unwilling to carry out the duties of the President, the Board shall elect an interim President to serve for the duration of the President's absence.
- b) The Vice President of Rides shall develop and administer the ride programs of CRW. Ride-related activities shall be developed to meet the current needs of the membership.
- c) The Secretary shall be appointed by the President and shall draft and retain the minutes of meetings of the Board and other meetings as appropriate. The Secretary shall publish and maintain the official record of all board decisions including, but not limited to, those on policy, awards and grants. Regardless of other publication venues, the minutes of Board meetings and the record of Board decisions shall be available for member viewing on the CRW website and maintained there by the Secretary. The Secretary shall also approve the process and execution of the annual general election of the Board and for any other elections. The Secretary shall also post notice of meetings of the CRW Board at least ~~two weeks~~ **ten days (or as soon as possible)** in advance of said meeting on the CRW website.
- d) The Vice President of Finance shall deposit and expend budgeted funds of CRW upon the receipt of proper documentation. The Vice President of Finance shall keep records of monies received and expended, and shall present a summary report to the Board at each regularly scheduled meeting of the Board. Any surplus funds may be invested in reasonable securities approved by the Board upon recommendation of the Vice President of Finance. The Vice President of Finance shall be responsible to ensure matters of CRW insurance and any/all governmental filings are current and submitted as required by law.

The current CRW Constitution calls for notifying Directors of a scheduled meeting at least ten days prior to a meeting unless the ten-day notice has been waived by all Directors.

# PROPOSED NEW CRW BYLAWS

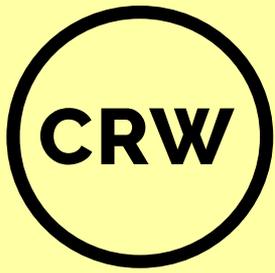

## PRESIDENT'S TERM OF OFFICE

### 3. Terms of Office

- a) President. The President shall be elected ~~annually for a two-year term in odd-numbered years~~ by a majority of eligible members of the Board at its November meeting and shall serve for the following ~~two~~ calendar years ~~expiring December 31<sup>st</sup> of the next odd-numbered year (January 1 to December 31)~~. Eligible members shall be those serving on the Board starting the following January 1. ~~The President shall in no event be elected for more than two consecutive terms.~~ Any member of CRW may be elected President regardless of whether the member is currently on the Board of Directors. The Board may remove the President by a two-thirds vote. In the event the President resigns, ~~or~~ is removed from office before the end of said term, ~~or is unable to complete the term due to illness or death~~, the Board shall elect an Interim President, who shall have all the rights and duties of the President, as if originally elected, for the remainder of that term.

The proposed changes implement a 2 year term for President with no term limitations.

Added illness or death to reasons that the Board shall elect an interim President. If a President is temporarily unable to carry out his / her duties, then the EVP steps in. In cases of the President permanently unable to carry out his / her duties, the Board elects an interim President.

# PROPOSED NEW CRW BYLAWS

## OTHER OFFICERS' TERMS OF OFFICE

b) Officers, **Coordinators** and Committee Chairs. The Officers and committee chairs designated above shall serve at the pleasure of the **President and Board**; ~~subject, however, to dismissal by a two-thirds vote of the Board.~~ The President may appoint a replacement candidate for any Officer, Coordinator or Committee Chairs at any time with the approval of the Board.

We remove the requirement that 2/3 of the Board is required to remove an Officer, Coordinator or Committee Chair. This seems to be too high a hurdle since only a majority is required to approve an appointment. This enables a new President to select his/her own team, if desired.

# PROPOSED NEW CRW BYLAWS

## MEMBERSHIP

### IV. Membership

1. Individual. An individual member shall be at least 18 years of age. An individual member shall have one vote in CRW elections.
- ~~2. Household. A household is defined as two persons who share a discounted membership. A household will have two votes in CRW elections.~~
2. Honorary. A non-paid membership granted with Board approval to a person whose actions have benefited cycling. An honorary member will have one vote in CRW elections.

We are removing the Household category of membership. Each individual is a member of CRW.

We are keeping the minimum age of 18 for CRW members.

# PROPOSED NEW CRW BYLAWS

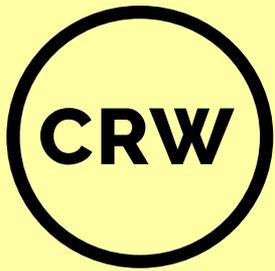

## ELECTION OF THE BOARD

### V. Election of the Board

1. Board vacancies due to expiring board terms shall be filled annually in the following manner: **A Board member's term shall begin on January 1st of the year following the election and shall terminate on December 31st of the third year of office. No Board member may be elected to more than two successive full three-year terms by the general membership.**
2. The Board shall establish nomination procedures each year to be communicated to the members no later than September **1st**.
3. Any member may submit his/her own name as a candidate for the current Board vacancies, not later than September **20th**.
4. Each candidate may submit a statement of 250 words or less, to be disseminated to the membership and included in the ballot.
5. Election of Directors shall be by electronic ballot transmitted to all members. Votes of the members shall be confidential. Voting shall be allowed October **1st** to October **15th**. The Secretary shall verify and publish the results no later than October 30th.

The description of the Board member's term was moved from paragraph 6 in the previous set of Bylaws.

Other changes in **RED** made for consistency.

# PROPOSED NEW CRW BYLAWS

## BOARD VACANCIES

6. Board vacancies, other than in the normal course:

a) ~~In the event that~~ If a vacancy occurs on the Board owing to the early resignation **or inability to fulfill the term due to illness or death** of a Director~~(s)~~, the remaining Board members may choose a temporary replacement(s) to serve until the next scheduled general election, at which time a permanent replacement~~(s)~~ for the unexpired term~~(s)~~ of the vacated position~~(s)~~ shall be elected by the membership as provided above. If the **Past** President is unwilling or unable to serve any portion of the ex officio term provided, there shall be no replacement of such person. If the current President resigns **or is removed at any time**, said President may remain on the Board for the balance of his/her Board term, **if the President also serves as an elected Director**.

“If” rather than “In the event that” is a grammatical clean-up.

Added “**or inability to fulfill the term due to illness or death**” as possibility to replace Director rather than just resignation.

Removed unnecessary (s). Singular form is enough.

Clarifies that the President only remains on the board if he / she also holds an elected Board seat.

# PROPOSED NEW CRW BYLAWS

## REMOVAL OF DIRECTORS - 1

### b) Removal of Directors

- i. No Director may be removed without cause.
- ii. Any Director may be removed for cause, upon a vote of two-thirds of the entire Board, at a meeting of the Board. No such vote may be taken unless: a) at the prior meeting there shall have been a vote by the majority of those present thereat, to hold such removal vote at its next meeting, and b) notice, including date, time and place of the meeting, and a short description of the cause for the proposed removal, is given in writing, or electronically, to all the Directors, at least ~~15~~ 10 days prior to the meeting at which the vote is to be held. The Director whose removal is proposed shall have a right to be present, to be heard, and to present such material as such Director deems appropriate. Such a vote may be postponed to a date certain, by vote of a majority of those present.

Changed to 10 days rather than 15 for consistency with other sections which require 10 day notice of Board meetings. This is also consistent with the Constitution that requires 10 day notice.

# PROPOSED NEW CRW BYLAWS

## REMOVAL OF DIRECTORS - 2

- iii. Cause for removal, ~~in addition to missed meetings as described in the Constitution, IV-3-d,~~ may include missing a majority of meetings during any twelve month period or any behavior, whether in connection with CRW governance, a CRW activity, or otherwise, that is inimical to the Club, its governance, to cycling in general, or otherwise not in compliance with the goals and purposes of CRW.
- iv. ~~The minutes of the meeting in which a vote to hold a removal vote is proposed, discussed or held, shall contain no information about the removal matter. If the vote to remove a Director passes, the published minutes shall report only that the individual is no longer a Director. If the vote to remove doesn't pass, or if the vote is postponed the published minutes shall contain no information about the matter.~~

The Constitution says that if a Board member is absent from 4 out of 5 consecutive meeting, the Board shall vote on sustaining his membership in the Board. Please note that although absenteeism is a “cause for removal”, the Board is not obligated to actually remove a Director. I would expect that the Board would show compassion due to an extended illness.

Paragraph iv is not good for club transparency. There are cases where egregious actions causing removal of a Director should be publicized.

# PROPOSED NEW CRW BYLAWS

## MEETINGS

### VI. Meetings of the CRW

1. Regular meetings of the Board shall be held bi-monthly in each odd numbered month (January, March, etc.) and the minutes of the meeting shall be recorded. Notice of Board meetings shall be posted with time and date on the CRW website and open to the membership of CRW. Notice of all Board meetings shall also be published in the minutes of the previous meeting and should be accurate as of the date of publication of the minutes.
2. Meetings may be held live or online or telephonically.
3. Special meetings may be called by the President or by 30% of the Directors. A minimum of ten days notice is required unless waived by a majority of Board Members..
4. An electronic vote may be conducted when called by the President or 30% of the Directors. Approval of the electronic vote requires a majority of all Board Members. The results of the electronic vote shall be reported at the next meeting of the CRW Board and included in the Minutes.
5. A quorum of the Board shall consist of five Directors in order to conduct official business of CRW. Proxy votes are not accepted.
6. There shall be an annual meeting of the regular membership.

Provisions have been added for special meetings, online meetings, electronics votes.

# PROPOSED NEW CRW BYLAWS

## FISCAL POLICIES

### VII. Fiscal Policies

1. CRW shall operate on a balanced budget within each fiscal year unless a budget that projects a deficit is approved by 2/3 of the Board.
2. All expenditures of CRW funds must be made pursuant to items in the approved annual budget. All non-budgeted items must be approved specifically by the Board; expenditures up to \$500 may be approved by the President but must be presented to the Board at or before its next scheduled meeting. Unauthorized expenditures will only be reimbursed with approval by the Board.
3. The Board shall approve the pricing of all official CRW events, e.g. century rides and annual awards banquets.
4. The CRW Board shall conduct a review of the Vice President of Finance's records annually.
- ~~5. The CRW fiscal year begins January 1 and ends December 31.~~

The fiscal year does not need to be specified in the bylaws. If IRS policies were to mandate a different fiscal year for non-profits, we would change.

# PROPOSED NEW CRW BYLAWS

## AMENDMENTS

### VIII. Amendments

These Bylaws shall be amended only by vote of a majority of the Directors present at a regularly scheduled meeting of the Board, provided that a quorum shall have been declared. The Directors shall be notified of any proposed amendments not later than one regular Board meetings preceding the meeting at which the amendments are to be adopted. Any changes in these Bylaws shall be communicated to the membership and available on the CRW website. Amendments to these Bylaws shall become effective immediately upon adoption by the Board.

No changes proposed.

# PROPOSED NEW CRW BYLAWS

## PRECEDENCE

~~IX. Precedence~~

~~In the event of conflict between any provision of the CRW Constitution and these Bylaws, the Constitution shall take precedence.~~

We anticipate the rescission of the CRW Constitution which makes this paragraph irrelevant

# PROPOSED NEW CRW BYLAWS

## BOARD POLICIES

### IX. Status of Board Policies

The Board may establish any additional policies governing CRW activities provided that such policies do not conflict with these Bylaws. Any additional policies shall be communicated to the membership and retained as a historical public record by the Secretary on a public page of the CRW website. Additional policies may be approved or eliminated by a simple majority vote of the Board and updated by the Secretary.

No changes proposed.

# PROPOSED NEW CRW BYLAWS

## INDEMNIFICATION, CONFLICT OF INTEREST, RESTRICTIONS - 1

IX. Indemnification, Conflict of Interest, Restrictions

1. Indemnification. The Corporation shall, to the extent legally permissible and only to the extent that the status of the Corporation as an organization exempt under § 501(c)(3) of the Internal Revenue Code of 1986, as amended, is not affected thereby, indemnify each of its Directors, officers, employees and other agents against all liabilities and expenses, including amounts paid in satisfaction of judgments, in compromise or as fines and penalties, and counsel fees reasonably incurred in connection with the defense or disposition of any action, suit or other proceeding, whether civil or criminal, in which the person may be involved or with which he may be threatened, while in office or thereafter, as a result of the person being or having been such a director, officer, employee or agent, except with respect to any matter as to which the person shall have been adjudicated in any proceeding not to have acted in good faith in the reasonable belief that the action was in the best interests of the Corporation or was otherwise derelict in the person's duties to the Corporation; provided, however, that as to any matter disposed of by a compromise payment by such director, officer, employee or agent, pursuant to a consent decree or otherwise, no indemnification either for said payment or for any other expenses shall be provided unless such compromise shall be approved as being in the best interests of the Corporation, after notice that such approval involves such indemnification: (a) by a disinterested majority of the Directors then in office; or (b) by a majority of the disinterested Directors provided there has been obtained an opinion in writing of independent legal counsel to the effect that such director, officer, employee or agent appears to have acted in good faith in the reasonable belief that the action was in the best interests of the Corporation; or (c) by a majority of the disinterested Members entitled to vote, voting as a single class. Expenses, including counsel fees reasonably incurred by any such director, officer, trustee, employee or agent in connection with the defense or disposition of any such action, suit or other proceeding, may be paid from time to time by the Corporation in advance of the final disposition thereof upon receipt of an undertaking by such individual to repay the amounts so paid to the Corporation if a Court shall determine that there is no entitlement to indemnification under Massachusetts General Laws, Chapter 180, § 6. The right of indemnification hereby provided shall not be exclusive of or affect any other rights to which any Director, Officer, employee or agent may be entitled. Nothing contained herein shall affect any rights to indemnification to which corporate personnel may be entitled by contract or otherwise under law. As used in this paragraph, the terms "Directors", "Officer", "employee" and "agent" include their respective heirs, executors and administrators, and an "interested" Director is one against whom in such capacity the proceedings in question or another proceeding on the same or similar grounds is then pending.

No changes proposed.

3. Limitation of liability. An Officer, member, or Director shall not be personally liable to the Corporation or its members for monetary damages for breach of fiduciary duty as such notwithstanding any provision of law imposing such liability; provided, however, that such provision shall not eliminate or limit liability (1) for any breach of duty to the Corporation or its members, (2) for acts or omission not in good faith which involve intentional misconduct or a knowing violation of law; or, (3) for a transaction from which he derived an improper personal benefit.
